

# **Breast Clinic Referrals**

The Breast Clinic will accept referrals for any breast problem attending the ED (e.g. breast lumps, breast pain etc)

To refer patients please email a copy of the patient's contact details and EPR to:

[WGH.BreastUnit@nhslothian.scot.nhs.uk](mailto:WGH.BreastUnit@nhslothian.scot.nhs.uk)

They will then contact the patient with their appointment (usually within 2 weeks of referral)

For more urgent advice contact the Consultant Breast Surgeon on call
